Re: August 31, 2007 Request for Information

Dear Mr. Taylor:

I received your email information request, dated August 31, 2007, asking to view the contents of the Ravalli County Attorney's *Lords et al., v. Ravalli County* file. While portions of that file may be protected as attorney-work product, my office will waive any claims to that and allow you to view the entire file. Please contact my secretary, Hilary, at your convenience to arrange a time. All of this assumes this request has nothing to do with your suit against the County related to the settlement of the above suit. If it does, I must insist that you bring your attorney with you when you come to view the contents of the file, so long as you remain represented by her.

Sincerely,

Alex Beal  
Deputy Ravalli County Attorney
